

cjwalas says **SO, let's get to work!**

cjwalas says **Was there any left over unfinished work from the last sessions? (Help me here)**

Rick Raively says **you didn't grade some of the homework**

cjwalas says **That's what I thought, Rick. Who's left?**

Rick Raively says **I think you only did Tom's, that leaves me and Y at least**

cjwalas says **Can you help me find the assignments...I'm older now than I was last week.** 😊

Rick Raively says [http://www.mylargescale.com/forum/topic.asp?TOPIC\\_ID=33127](http://www.mylargescale.com/forum/topic.asp?TOPIC_ID=33127)

Rick Raively says [http://www.mylargescale.com/forum/topic.asp?TOPIC\\_ID=32993](http://www.mylargescale.com/forum/topic.asp?TOPIC_ID=32993)

Rick Raively says [http://www.mylargescale.com/forum/topic.asp?TOPIC\\_ID=31989](http://www.mylargescale.com/forum/topic.asp?TOPIC_ID=31989)

cjwalas says **OK, it's interesting to note the different takes on how the characters are described; Y draws a picture of the physical figure while Rick describes their life situation with very little about them physically.**

Rick Raively says **thought the home work was written and not drawings??**

cjwalas says **Let's talk about MR. Walnut, Rick. He is for Your layout?**

cjwalas says **It was whatever worked for you.**

BnEgscle says I don't know how to post the link, but I did a pencil sketch of Y's owner of the CCW RR

cjwalas says **We know that Mr. Walnut is big and heavy and a sharp dresser when on the job.**

Rick Raively says **did I say heavy?**

cjwalas says **Is that enough to make a figure?**

Ms. pcentral says 😊

Rick Raively says **should I start doing drawings?**

cjwalas says **I think you mention 250 lbs.?**

Ms. pcentral says **Slightly skinny**

Rick Raively says **but he is about 6' 5"**

jlcop says *I think that he would need to be in shape chasing after Laughingstock*

cjwalas says **The exercise here is to envision a character with enough information (visual or literary!) to actually feel confident making a figure of it.**

Ms. pcentral says **Luke is slightly skinny but strong now in his 20's, mostly dirty from working hard but always has a smile on his face.**

cjwalas says **Let's talk homework before we finish these discussions...**

Rick Raively says **it has not helped me JL. being chasing that nut for months now** 😊

cjwalas says **I feel that you all need to focus on creating and refining characters.**

cjwalas says **I was going to assign you all to do a figure based on photos I was going to supply, but I think that's a mistake.**

Rick Raively says **yes, a mistake**

cjwalas says **Would you all be up for each doing a figure (I would too!) based on a description?**

Ms. pcentral says **I guess**

BnEgscle says Yes, bring on the description!!!

jlcop says *I'd give it a shot* 😊

john corradini says *I will give it a try*

cjwalas says **I'm thinking of a hobo. A fitted figure, accurate to whatever scale you choose, but sculpted and painted according to my specific description.**

cjwalas says **Everyone game?** 😊

jlcop says *No problem, I've been thinking of putting a hobo in one of my box cars.*

Ms. pcentral says **WOW, That sounds challenging**

cjwalas says **OK. let's describe him;**

cjwalas says **Let's make him happy...**

cjwalas says **Proud...**

cjwalas says **Smoking a stogie...**

cjwalas says **Wearing a bowler...**

cjwalas says **And a vest...**

cjwalas says **Toes showing through his worn shoes...**

BnEgyscale says getting back to people will be good. I've been doing prairie dogs and sides of beef lately.

cjwalas says **Tattered clothing...**

BnEgyscale says How old?

cjwalas says **And a handlebar moustache!**

cjwalas says **Hmmm, let's make him a wise sage, fifties or sixties.**

jlcop says *....a man of no means...King of the road!* 😊

cjwalas says **That's the spirit, JL! We'll call him King of the road!**

shaynut says Freddie the freeloader from Red Skelton

cjwalas says **Not far off, Mike!**

cjwalas says **Anything else?**

cjwalas says **Let's give ourselves two weeks...just because I have a rough schedule!** 😊

john corradini says Is he sitting, standing or what?

BnEgyscale says Pose? Standing, seated?

Ms. pcentral says **So then it is due Oct 3rd?**

cjwalas says **The key here is not to do a standing figure, but one that has the character and is specifically fitted to...whatever. A boxcar, a box. But challenge yourselves and remember it needs to be to your chosen scale.**

shaynut says standing with a stick and bag on his shoulder waiting for a train to hop

cjwalas says **Not standing!!**

cjwalas says **Leaning, maybe....** 😊

cjwalas says **Oct. 3...DUE!**

Rick Raively says **laying on his side with a arm holding his head up**

cjwalas says **You will be graded!** 😊

john corradini says Sitting in front of a fire roasting a hot dog?

cjwalas says **Oh and neatness DOESN'T count!** 😊

Rick Raively says **on leg straight with the other one bent**

cjwalas says **As long as he's fitted exactly whatever he's sitting on, John.**

Rick Raively says **reading Hobo weekly**

BnEgyscale says Laying on his back with the bowler covering his face so the only thing I need to do is the moustache and chin.

cjwalas says **That's your choice, Bob! Completely acceptable!**

cjwalas says **Everyone understand the assignment?**

Rick Raively says **yeah sure - nope - piece of cake**

cjwalas says **Have fun with it, I know I will!**

Ms. pcentral says **understand, but not excited**

Ms. pcentral says **I think this is going to be extremely hard**

john corradini says Yup I think I do

cjwalas says **What would make it exciting for you, Y? Doesn't Steve's boxcar need a hobo?**

jlcop says *What I typed before I was so rudely interrupted: I don't know if I can pull this off but hobo admiring his recently stolen fresh baked pie is what comes to mind 😊*

cjwalas says **No strain, no gain, Y!**

BnEgscaler says Are we going to give this hobo a name so we can all reference the same guy or is that part of our image?

Rick Raively says **a lady hobo?**

cjwalas says **Sounds like a joy to behold, JL!**

cjwalas says **Lady Hobo is fine! What a unisex name for this character?**

john corradini says Chris you said "painted according to my specific description." so what colors?

jlcop says *with a handlebar moustache Rick?*

Ms. pcentral says **Yes, Steve needs a hobo and he will be very joyful when he hears the homework**

BnEgscaler says I was thinking about that lady hobo with a moustache - sounds like Carol Brunette or Lucy.

Ms. pcentral says **I have a hard time trying to make a figure with your style and characteristics**

cjwalas says **Right, John. Thanks. Brown Bowler, black shoes, yellow tie or ascot, dusty suit (brown or black), red socks. 😊**

cjwalas says **You can do it, Y. IN your own style!**

cjwalas says **Once Log Boy posts the log, I'll do an assignment post where we can all post our work.**

BnEgscaler says Why would you want to do it in Chris' style when yours is so well defined?

john corradini says What color shirt?

Torby says *Slow conversation tonight? Or is everybody contemplating deep issues of figures.*

cjwalas says **I have to call this session short tonight, sorry. We're having computer problems with homework assignments apparently! 😞😞**

Ms. pcentral says **Shirt- He didn't say anything about a shirt 😊**

cjwalas says **Shirt color is optional. Race is optional. Accessories are optional.**

Ms. pcentral says **night Chris thanks**

cjwalas says **Let's have fun with this one, Class!**

cjwalas says **Nite all, and I'll let the Fairplex people know asap about Sunday.**

john corradini says Night Chris

BnEgscaler says Chris - thanks for the challenge. I'm looking forward to it. I hope I feel the same about the assignment when I get into the clay.
