### **JAMIE HAUGHTON, St. Thomas Aquinas**

The senior midfielder was the Saints' most versatile player, also getting a substantial amount of playing time at striker this season. With 12 goals and 10 assists, leading St. Thomas for a second straight year, Haughton's efforts earned him an honorable mention on the Class I All-State team.

"His skill level is unbelievable," St. Thomas head coach Dave Roderman said. "Even as a sophomore, he's had great touch and a great feel for the game. He's really got a knack for the game. There are a lot of athletes that just play soccer, but he is a soccer player. He plays year round. This is his sport, and it shows."

When he's not playing for STA, Haughton plays on a Seacoast United squad and trains with a regional Olympic development team.
